

CONTRACT FOR SERVICES

Foot Care Nurse

Western Ottawa Community Resource Centre is looking for a contractor to provide Foot Care services to the older adults in the communities of West Ottawa.

- You are registered with the College of Nurses of Ontario and are in good standing.
- You are a Registered Nurse and/or Registered Practical Nurse with Advance Foot Care training.
- You have written proof of your insurance coverage in full force and effect against liability and claims arising out of and related to the provision of foot care services by yourself.
- You will provide back up for vacation, relief on short notice for other contracted nurses with the possibility of consistent clinics.
- The WOCRC will act as an intermediate for the sole purpose of scheduling appointments and collecting the payment from the clients and remitting it to you. The appointments will take place at a pre-arranged location.
- You are an independent contractor. Insurance, Employee Health Tax, Federal or Provincial income tax, Canada Pension Plan, Quebec Pension Plan contributions, statutory or other taxes or payments of any similar or other nature or kind are your responsibility.
- You are required to provide your own tools, equipment and products necessary to perform your services. To ensure the safety of the clients, you will be required to provide to the WOCRC a list of all products which you will use to perform the foot care.

Please forward your resume to Western Ottawa Community Resource Centre by March 29, 2019 at careers@wocrc.ca

Please indicate on your cover letter expected compensation and availability.
